

The Museum of Flying 飞行博物馆

Location: 位置

Santa Monica, CA
圣莫尼卡, 加州

Scope of Work: 工作范围

Architectural Design 建筑设计
Interior Design 室内设计

Commentary: 注释

This 70,000 sf. mixed use fixed base operations (FBO) facility built on the former site of The Donald Douglas Aircraft Co offers service and administrative functions along with general office space, aircraft hangars and the Museum of Flying, integrated into a three story building that acts as the north side gateway for the Santa Monica Airport. 可以容纳7万人的综合设施，以空间飞机探索和飞行博物馆为主，与圣莫尼卡机场的北门相邻。
